Dear OCCJE members and prospective exhibitors,

Tiffin University and the Ohio Council of Criminal Justice Education (<http://www.occje.org>) will be holding a Career Fair for students on Wednesday, November 16, 2011 from 10:00am-2:00pm at Tiffin University. In the past, this annual event has attracted students from colleges and universities across the state of Ohio. Although some agencies may not be recruiting employees at this time, they do provide information on their agencies, accept student resumes for future hiring, and give attendees opportunities to make contacts with professionals in the field.

If you are associated with an agency that may be interested in participating in this Career Fair as an exhibitor, we are asking that you complete this form and return it to the address given below.
